Dr. E. T. York, director of Extensions at Auburn, quoted Dr. Howard C. Brown on Thanksgiving. "If our country, our friends, loved ones, material things, health, and religious faith, then our Thanksgiving is a fickle thing, for even a pagan could be thankful for these. If our gratitude depends on our outward circumstances, then it does not occupy a permanent place in our lives."

When we no longer live on "the sunny side of the street," when the winds of adversity blow, when we are in trouble and need help. It is not the strong person who has never known difficulty who helps us. Rather it is the person who brings his testimony that one can triumph over every obstacle. We give thanks, too, for the assurance that, no matter what our mood says, God has not deserted us. In all the world there is no such thing as a God-forsaken soul. May you have a happy and peaceful Thanksgiving.

Farm Machinery—
Buy, here's something you can help your Dad do over the Thanksgiving holidays. And he will be mighty proud of what you did next spring. Thoroughly check, service and repair all farm machinery and implements before starting the winter in a dry shed. If machinery and implements will require the services of the dealers of the dealer's shop, send them to the shop now so that repairs can be made before the rush season next spring.

Remember to drain the water from the radiators and cylinder blocks on tractors and other implements having power units.

Cover hand-polished surfaces of plows and other tools with a heavy grease or rust preventive. Equipment looks better and lasts longer if cleaned and painted before storing.

Many farm accidents are caused by careless handling of machinery and equipment, but even a careful operator can be injured using equipment with worn or broken parts.

Fires—
I don't know how many official fire fighters we have in Coffee County to keep a sharp eye out for fires. I'm sure though that they will need some help during the winter and early spring months when we have a lot of forest fires going. By being alert all of us can help prevent fires, and we can help our neighbors by being real careful when we burn anything on our farms and around our homes. One of the worst experiences I know of is for a fire to get out of control. Let's join hands across Coffee County and do a top-notch fire prevention job. 4-H Club members can take the lead in this.

VICTORY SUNDAY
Fifth Victory Sunday will be observed at West Side Baptist Church next Sunday when the goal will be \$1,000 collected to be applied to the building debt. In each of the previous four Victory Sundays, the goal has been met. Rev. Welby Bozeman is pastor. Regular services will be held with dinner served at the church at noon.

Johnson of Columbus, Ga., and Kilmer Johnson of New Brockton; two daughters, Mrs. Frances Moore and Mrs. Madie Swain, both of New Brockton; 19 grandchildren and 19 great-grandchildren.

An Elbian's Creed

On the wall of The Elba Exchange Bank lobby are some words we would like to suggest that you read every time you go there. We would like to suggest this title: "An Elbian's Creed." It follows:

"Elba, Alabama, is a fine place to live.
"Let's all be good neighbors.
"Let's trade with our local merchants.
"Let's support all our local industries.
"Let's grow and prosper together."

It might be added at that the greatest of these is to be good neighbors and all these other things will be added unto us.

More Important Than Victories

The Elba High Tigers have just finished a grid season. It was news that they had one victory and nine defeats. But as the participants, and cheering body, grow to manhood and womanhood the number of wins and losses will be forgotten.

A more important factor will be remembered by them and their opponents in each game, and more important. One whose records are kept in That House Not Made With Hands. To quote Elbert Hubbard:

"When that One Great Scorer comes to write against your name,
"He writes not that you won or lost, but how you played the game."

Let us trust that there will be a high mark written before the name of every Elba High Tiger for the past year's games.

An Oversight

It has been called to our attention that we overlooked naming floats entered in the Elba Fall Festival parade by Zion Chapel School, Whitman Trailers, Inc., and Curtis School. It was unintentional and we're sorry.

Through the Keyhole

BY MRS. ROBERT CANNON

FAREWELLS ARE SAD and it seems that lately we have said too many of them. And now Doug and Elaine Martin are leaving our town. We are glad, that they will be nearby in Enterprise and know that the Martins are really pleased. And is there anything more wonderful than jumping in the car and arriving in a few minutes at mother's? Not to us!

Doug and Elaine's Sunday School Class, which is composed of young married couples, gave them a farewell dinner

party last week at Connie and Fred Johnson's home. If you haven't seen Connie's house since she redecorated you can't imagine what a lovely setting it is for a party.

The soft tones of draperies and carpet create a calm quietness enhanced by heirloom vases on the mantelpiece. Handpainted china accents are found on tables and in the dining room cabinets and the gleam of silver on the buffet adds a final note of perfection.

In this atmosphere, the young couples met to enjoy a last evening together. Pink flowers centered the table which was covered with Connie's handmade linen and cloth. After dinner Robert Newton, president, gave Elaine a pretty wrapped gift and Sylvia Brown led the group in games.

Present were the Robert Newtons, Mrs. Ted Vaughan, the Arlon Browns, the Roger Whitakers, the Johnsons and Freddie and the homeboys.

THE TIME TURNS and as old friends leave, new ones arrive. And if you haven't met Betty and Walt Cox, do so soon as we think they are wonderful. And gather round you wearers of the X and horse shoes, be loyal to your coarsers and let's welcome a sister Chi Omega. Discovered last week that Betty was a Chi O at Beta and told her she had really moved to the right town. For I recall how marvelous it was to come to Elba a stranger and find it filled with warm and loving people.

IF YOU'VE SEEN Kenneth Hudson lately you probably have noticed the broad smile he's been wearing. And the cause of it all is the wee little bundle old Mr. Stork left at his house on November 11th. Kim Renee weighed in at over seven pounds and he and mother Robbie are doing fine.

A HAPPY BIRTHDAY wish goes to Linda Spurlin who was recently seventeen and who was entertained in Indian on Saturday. The private dining room was attractively decorated and included a lovely birthday cake surrounded by piles of beautifully wrapped presents.

The honoree wore a chic suit of moss green wool accented

by a small fur hat. Her guests were: Suzanne Hayes, Kathy Roberts, Sandra Farris, Jeanice Paul, Linda Stewart, Martha Cooper, Mary Ann Smith, Polly Ann Clark, Janet Warr, Lynda Crook, Cecilia Burkett, Henriette Dorey, Ella Kate Allen, Yvonne Bryan, Sara Beth Beay, Mrs. Pauline Allen and Katherine Spurlin.

THANKSGIVING DAY will really be a happy day for a young man in Okinawa. For on Wednesday, Madelyn Brunson

Miller will arrive at her new home. Madelyn left Elba last Wednesday and went to San Francisco. From there she flew to Hawaii and on to Tokyo before reaching her destination. Phoenix City are going to Asbury College in Kentucky for "the day" and then on to Indiana where Ben will conduct a week's revival. Freddie will return in time for school Monday.

MR. RETAILER!

YOU LOSE 3 OUT OF 10

Customers Every Year

AND 30 PER CENT OF YOUR BUSINESS LEAVES WITH THEM!

Hard to believe, but true! If yours is an average business, you LOSE 30% of your customers each year. If you don't believe it, look through last year's accounts and see how many are no longer active.

WHY?

DO YOU LOSE THEM?

Through death, moving to another community or through the efforts of hard-driving competitors—a variety of reasons, some of them beyond your control.

At the same time, there's a normal business increase Of Only 4% Each Year.

That leaves you facing a 26% handicap each year—a handicap you must overcome if your business is to remain healthy and profitable.

What Do You Do About It?

The answer lies in better merchandising, better planning, more vigorous promotion of fast-selling goods and service.

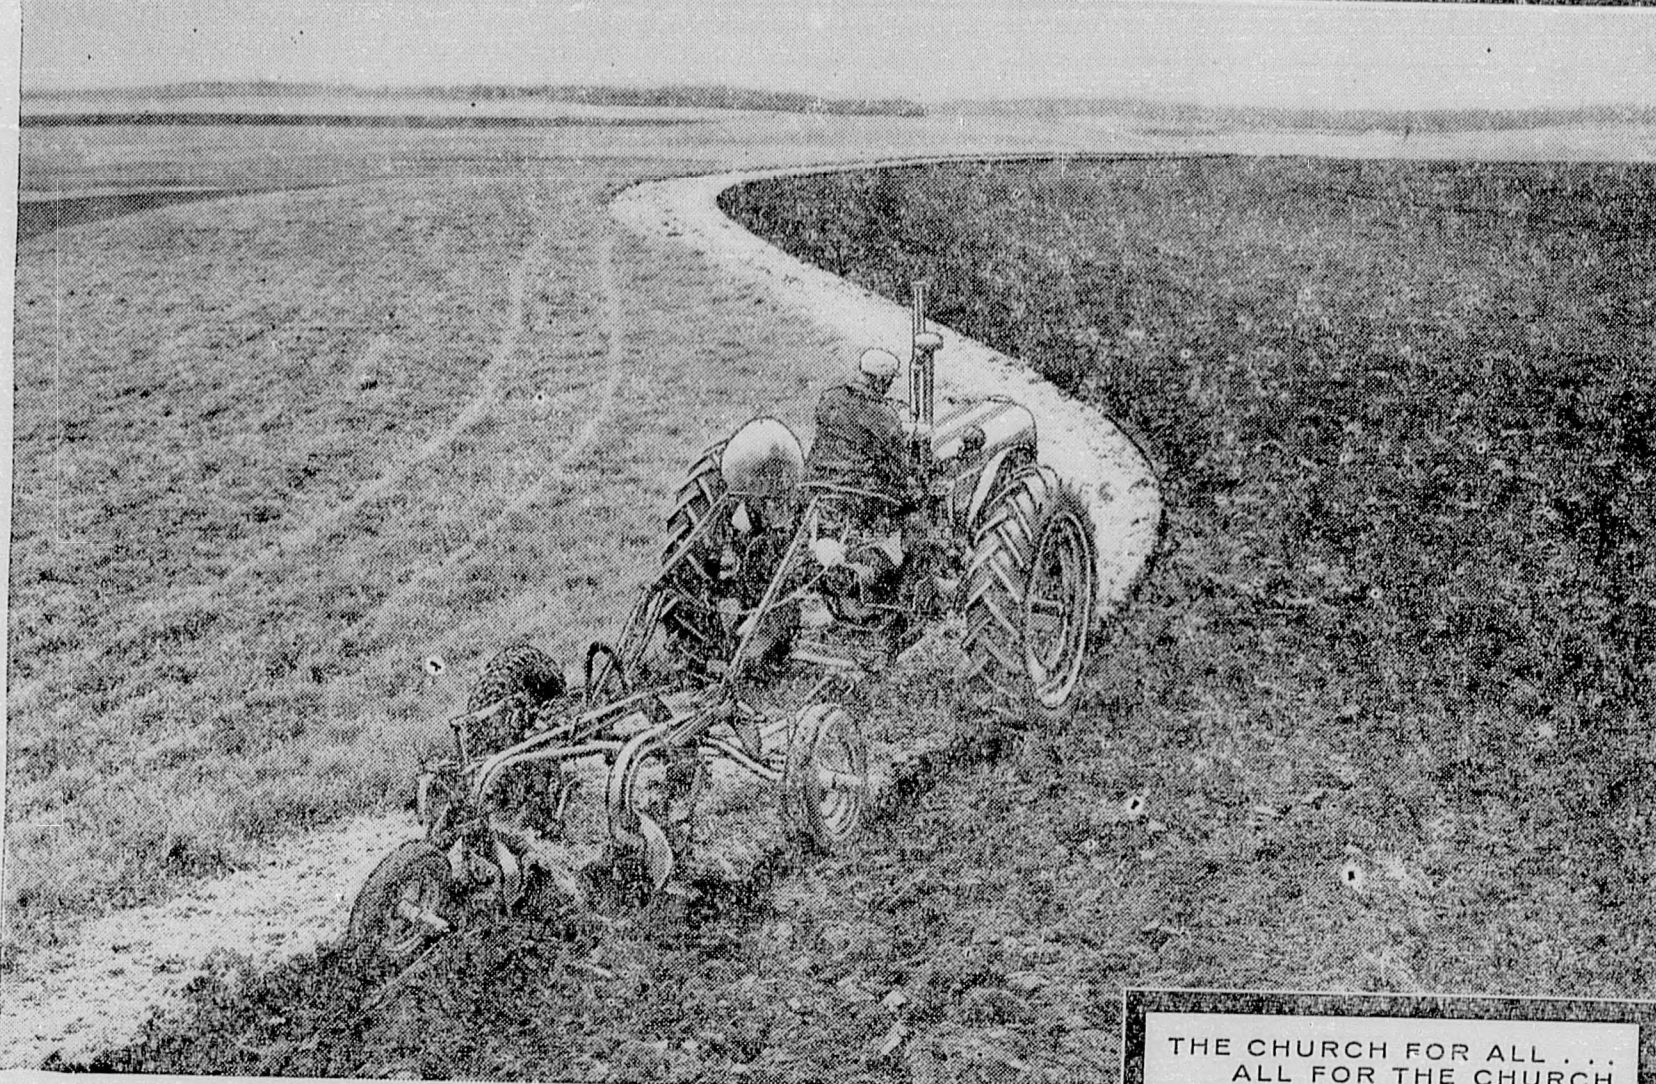

The surest, most profitable method of sales promotion is consistent, timely newspaper advertising.

ADVERTISING IS THE LIFE OF TRADE

(The Above reprinted from The Montgomery Advertiser)

And advertising is news. Newspaper readers want advertising because it's news. They want to read about the latest values. Surveys have shown that, among the various features in a newspaper, advertising ranks first in interest with the women and second with the men.

Nothing sells a city to the surrounding area like a newspaper. Nothing sells a merchant's products like a newspaper.

This land was my father's. Now it is mine. Often, as I work upon it, the words of Genesis come to me: "In the beginning, God created the heavens and the earth." And I think, too, of those other words from the same Book: "The Lord God took the man and put him in the Garden of Eden to till it and to keep it."

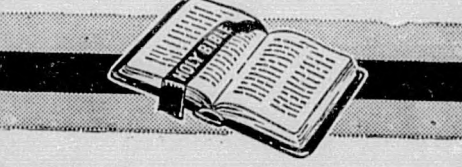

God entrusted the precious soil to us, and it is our duty to use it well. But he gave us stewardship of something even more precious—our souls. Just as we must care for the land, so must we enrich ourselves, spiritually. And the place in which to cultivate our souls is the Church.

Let us take a lesson from the land, which when well used is wonderfully productive, yet when neglected brings only aridity and erosion. Let us care for our spiritual as well as our physical fields. Let's go to church!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

HUNTER CONTI JEFFERS NEWMAN

STATE CHAMBER DIRECTORS

Five leading Alabama businessmen were elected to the Board of Directors of the State Chamber of Commerce at the 22nd Annual Meeting in Montgomery in mid-month. Left is Julian F. McGowan, treasurer, W. T. Smith Lumber Co., Chapman, Ala. Above, left to right: Marshall K. Hunter, president, First National Bank, Anniston; John A. Conti, manager, Hedstrom-Union Co., Dothan; Lewis F. Jeffers, president, Hayes Aircraft Co., Birmingham; and, R. B. Newman, plant manager, Reynolds Metals Co., Sheffield.

More than 500 Alabama businessmen attended the Montgomery meeting and re-elected Jack W. Warner, president, of the Gulf States Corp., Tuscaloosa, to a second term as president of the State's largest business organization.

SOIL CONSERVATION NEWS

By T. C. Self S.C.S.

R. D. Donaldson of Elba has been a cooperator with the Coffee County Soil Conservation District for several years. A cropping system consisting of corn and peanut rotations is followed. Much of the open land is planted to cover crops each fall. All crop residue is cut and left on the land each fall.

All pasture land has been improved with plantings of bahia grass. This pasture is on steep land that is unsuited for cropping. Mr. Donaldson has other crop land that he plans to put into grass for a few years. Increased yields are normal where crops follow grass.

As crop harvest is completed, time is given to completing projects and making plans for the coming year.

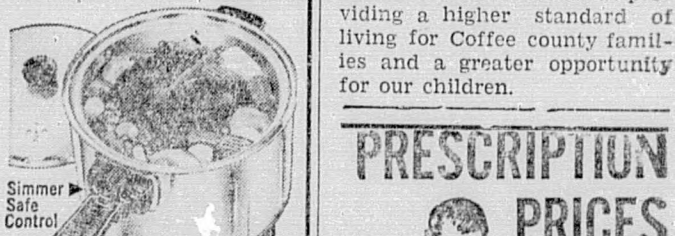

Cooperators who terraced and planted waterways this year were: W. G. Clark, Elmer Bryan, J. S. Daniel, L. J. Grimes, Paul Martin, C. C. Rhodes, J. E. Sexton, J. O. Reeves, F. E. Clark and D. W. Littleton.

With the year 1960 approaching, personnel of the Soil Conservation Service are looking forward with the expectation of rendering a greater service to farmers of the county. Farmers who are willing and ready to carry out a sound, well-planned program.

To improve soils for better production of row crops, pasture and timberland. Thus providing a higher standard of living for Coffee county families and a greater opportunity for our children.

PRESCRIPTION PRICES

How are prescription prices determined? We have a policy in this matter which we believe to be ethical and fair. We do not offer bargains in prescriptions—there is no cut-rate way to health. Nor do we pretend to undersell. Prescription prices simply are determined by the cost of the ingredients and operating expense. The prices we charge are as low as good professional service and effective drugs will allow. It will be a privilege to serve you.
